## Disclaimer

### 1. Content of the Website

The author does not assume any liability for the timeliness, accuracy, completeness, or quality of the information made available. Liability claims against the author of the website that are related to material or immaterial damages caused through the use or non-use of the information contained in the website or through the use of erroneous or incomplete information contained in the website are excluded in principle provided that no misconduct or gross negligence can be attributed to the author of the website. The author reserves the explicit right to change, amend, delete, or to temporarily or permanently discontinue the publication of the website in part or in its entirety without giving prior notice.

### 2. References and Links

A liability obligation goes into effect where direct and indirect references are made to external Internet sites ("Links") that do not fall within the realm of responsibility of the author. In this case the author acknowledges the content of external websites and has the right to block their use whenever technically possible should the content be unlawful. The author explicitly declares that no illegal content could be identified on the linked websites at the time they were linked. The author can not influence in any way the current or future content or the authorship of the linked websites. Therefore, the author explicitly dissociates himself from the content of all linked websites that have been changed after the link was created. This declaration applies to all links contained on the BAYROL Deutschland website and for outside entries made in visitor books, discussion forums, or mailing lists furnished by the author. The author of the linked website is solely liable for illegal, erroneous, and incomplete content, and particular for damages caused through the use or non-use of the information contained in his publication and not the entity that has a link to the publication referred to.

### **3. Author and Trademark Law**

The author respects the copyright of the audiovisual documentation, video sequences, and texts that are used in all publications and uses his own audiovisual documentation, video sequences, and texts or relies on that audiovisual documentation, video sequences, and texts that are license free. All labels and trademarks referred to on the Internet website that are protected by third parties are subject without restriction to the provisions of the respective trademark law and ownerships rights that are applicable. It may not be inferred that trademarks are not protected by third party interests when such brand name is freely mentioned. The Copyright for objects created and published by the author remain the sole property of the author of the website. The reproduction or use of such audiovisual documentation, video sequences, and texts in other electronic or printed publications is not permitted unless express consent is granted by the author.

### **4. Data Security Act**

Whenever the entry of personal or business data (e-mail addresses, names, street addresses) is required within the domain of the website, the user herein declares that the submission of this data is conducted on a voluntary basis. Utilization and payment for all of the offered services is - to the extent reasonable and technically possible - permissible even without requiring such data or by providing anonymous information or by using a pseudonym.

### **5. Legal Effect of this Disclaimer**

This disclaimer is considered to be an integral part of the BAYROL Internet website from which the link to this page originates. Should a provision or individual text phrases of this agreement be deemed invalid in whole or in part, it does not affect the other parts of this document with regard to content or validity.
